**PETITION UNDER 37 C.F.R. § 1.181 TO WITHDRAW  
HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE  
OFFICE ACTION**

U.S. Patent and Trademark Office  
P.O. Box 2327  
Arlington, VA 22202  
Box:

Dear Sir:

On October 18, 2002, applicants' undersigned representative received a telephone call from Examiner Kubelik of the U.S. Patent and Trademark Office ("PTO"), who indicated that the above-identified application has been abandoned for failure to file a timely response to an outstanding Office Action, which according to PTO records was mailed on March 11, 2002. Applicants submit that the failure to respond to the Office Action, which resulted in the above-noted telephonic notice of abandonment, was due to nonreceipt of said Office Action. Therefore, pursuant to 37 C.F.R. § 1.181(a), applicants hereby petition the Commissioner for Patents to withdraw the holding of abandonment and remail the Office Action for the above-identified application.

Applicants submit that this Petition is being filed in compliance with 37 C.F.R. § 1.181(b). A search of the file and the docket record shows that the Office Action was never received by applicants' representative. A marked copy of the docket record of the application showing the last action entered (the receipt on September 4, 2002 of the Notice of

SN 09766,348

- 2 -

Publication of Application) is attached hereto as Exhibit A. Had the Office Action been received, a separate "Action" entry would exist with an "Act Due Date" entered for responding to the same. No such entry exists. Applicants submit that this evidence provides sufficient basis for grant of this Petition. See 1156 OG 53 (October 25, 1993) (citing requirements for an evidentiary showing that is sufficient to withdraw holding of abandonment).

Because applicants' undersigned representative received the telephonic notice of abandonment on October 18, 2002, this petition is being timely filed in compliance with 37 C.F.R. § 1.181(f).

Although applicants believe that no fee is due upon consideration of this petition, the Commissioner is authorized to charge any necessary fees to our Deposit Account No. 14-1138.

In view of the foregoing in satisfaction of the requirements under 37 C.F.R. § 1.181, applicants respectfully request that the holding of abandonment be withdrawn and the Office Action be remailed to applicants' representative.

Respectfully submitted,

Date: October 29, 2002
